HT680

Rugged Handheld Terminal

Unitech's new HT680 is a compact and aggressive rugged mobile computer ideally suited for manufacturing, retail, logistics and transportation. Designed for the toughest work environments, the HT680 gives you the reliability and flexibility needed to increase productivity and efficiency in all of your data collection applications.

Durable Design

The HT680 is built to last, protecting your investment and minimizing downtime. Compact and rugged, the HT680 is IP54 rated, safeguarding it from moisture and dust. The HT680 can withstand multiple 6-foot drops to concrete and features gold plated non-rusting connector pins.

Maximum Productivity

The HT680 weighs less than a pound and is ergonomically designed for one-handed operation. The optional gun grip and 12-hour battery life makes the HT680 perfect for scan-intensive applications such as warehousing. Its 22-key backlit keypad makes data entry simple.

Mobile and Versatile

The HT680 is available with a 1D laser or 2D imager smart scanner. Configuration and integration of the HT680 is fast and easy with its Microsoft Windows CE 5.0 Professional Plus operating system and Marvell PXA270 520MHz CPU. The HT680 is equipped with Bluetooth 2.0 and EDGE-GPRS connectivity as well as CCX4 WLAN roaming capability, making it perfect for mobile applications.
